ADDITIONAL COMMENTS

This somewhat open course has several tree-lined holes and an undulating terrain. Water hazards come into play on eight holes. The course is said to have the best greens and tee boxes in the area. The tee boxes are large, well-maintained, and offer three levels to tee off from. The very large greens are sloped and fast. The club pro says that they only get about thirty rounds of golf from the ladies for the entire season.

Submit an update for this course to Golfcourse.com — Please include the course name and location (city, state) along with your updated information.
