additional comments

This hilly course has an abundance of wildlife living on and around its grounds. The course is located close to both Lake Ontario and Eastman Lake, providing some wonderful scenery. Water hazards come into play on three holes, plus the tee boxes and fast greens are elevated. New owners made several changes during 1997, including the shortening of a few holes and the addition of a water hazard on hole #9, a 414-yard, par 4.
