**additional comments**

This links-style course features water hazards, sand bunkers, and moguls incorporated throughout its entire design. The fairways are narrow, and the greens are multi-tiered. Overall, water hazards (lakes) come into play on five holes. The signature hole is #4, a 165-yard, par 3, featuring an elevated tee that drops fifty feet to a creek or the semi-island green highlighted by the woods in the backdrop. A computerized irrigation system ensures plush fairways and greens.
