Please note: The information contained here is accurate as of our last update. Contact the course for current rates before making a tee-time.
This course offers a view of the lake from anywhere on its grounds. The greens are small, but the fairways are fairly open. The course is irrigated to keep it plush and soft. You should not have a problem with the drainage creek that comes into play on two holes. There are additional sets of tees that can be used when playing an eighteen hole round.
