Get Directions

Personalize Yahoo! Maps to store your favorite locations so you don't have to type them in again.

Like any driving directions/map, you should always do a reality check and make sure the road still exists, watch out for construction, and follow all traffic safety precautions. This is only to be used as an aid in planning.

additional comments

Almost all of this course's holes are well bunkered. The front nine was built on flat terrain, but the back nine was built on hilly terrain. Water hazards come into play on nine holes.
