**additional comments**

This facility has three nine-hole courses played in eighteen-hole combinations. The newest course, The North, plays slightly longer and tighter than The East or The South yet still offers a very manageable distance. Fairways on both of the older courses are fairly wide, with most of them being tree lined, however, the terrain is quite hilly, so expect many uneven lies. The club frequently waters its tees, greens and fairways to insure a lush playing surface. This is an excellent course for beginners, seniors and ladies because its length isn't too demanding.
